TDS 69 2/8/13 6 As. Schedule I, (a) of the Mun. fixes maximum in such cases as Rs 4/- yearly or Rs 2/- per half year. The Mun. Council classified hand carts including wheelbarrows under vehicles without springs, and thus wheelbarrows and hand carts have to pay Rs 2/- per half year alongside of double bullock carts without springs, as the maximum rate were adopted by the Bangalore City Mun. Though Schedule I of the Rules includes all vehicles without springs under one head, there is nothing to prevent the Municipal Council from classifying vehicles further, under each class and adopting different rates for the several sub-classes provided that no 'sub-class' is taxed higher than the maximum

S I R ,

With reference to Government Proceedings No. 759/M1. 60-12-45 dated the 17th instant, sanctioning the correction of the rates of toll on carts in the schedule of taxes, I have the honor to state that, in page 10 column 4 serial No. 111-clause (5) of the said schedule, a rate of Rs. 2/- is prescribed for a half year for every cart or other vehicle without springs.

2. This item includes also hand-carts of every description, even small wheel-barrows with either one, two or three wheels pushed by the hand.

3. As these hand-carts are made use of by poor traders, such as mutton stall keepers, soda water sellers and owners of firewood depots &c., there is a loud complaint that a uniform rate of Rs. 4/- a year prescribed for a cart drawn by a single bullock or two bullocks is much too high for the hand-carts and operates as a hardship on the owners therof who keep them for moving the goods to the houses of their customers.

4. I personally examined a number of hand-carts of the various kinds in use and found that, considering the petty purposes for which they are used, a tax of Rs. 2/- per half year is too high.

5. The question was accordingly placed before the Council at their meeting held on the 20th ultimo when the proposal to reduce the tax on these hand carts from Rs. 2/- to one rupee

for a half year was approved. A copy of the resolution is herewith forwarded.

6. As it is necessary that some distinction between the ordinary single or double bullock carts and the hand carts in question should be made in assessing them, I request that the reduction of the half yearly tax to one rupee may be sanctioned.

I have the honor to be
